12 MONTH IMPACT REPORT

DIAGNOSED MORE WOMEN THIS YEAR THAN EVER BEFORE

MISSION: We’re saving more lives through quality breast health services, advocacy and access to care for all.

GOING FURTHER, SERVING MORE

This past year The Rose not only diagnosed more women than ever before in our 33 year history, but saved 100 more lives and served 1,000 more uninsured patients than the previous year.

THANK YOU

We are pleased to share our highlights and impact with you over this past year. We’ve continued to add new levels of care, convenience and services. Most importantly, our services are available to all women, insured and uninsured. Thank you for being part of our community impact and for helping us to continue our mission of Saving Lives.

ADVOCACY: IT’S PART OF OUR MISSION

In April, The Rose Patients and Staff gathered on the steps of our capitol along with ACS CAN to show our support of CPRIT. We succeeding getting CPRIT to pass in Austin, now, Prop 6 will be on the ballot this November. Remember: SAY YES TO PROP 6!
She wanted the best

Tonia, Breast Cancer Survivor

Tonia could’ve gone anywhere for her care, but she wanted the best so she chose The Rose. Now, as a breast cancer survivor, she has found countless ways to show her support of the organization that she says, “saved her life.”

OUR VALUES ARE UNWAVERING
